

*Cercis texensis* 'Oklahoma'

## Oklahoma Redbud

**Height:** 20' | **Spread:** 25'

**Zone:** 6

**Shape:** Upright spreading to rounded

**Foliage:** Glossy, thick, bright green

**Fall Color:** Yellow

**Flower:** Reddish-pink buds open to bright magenta-pink

Heat resistant foliage is deep green, bright and glossy. One of the most impressive redbuds in flower, it is more colorful than the species as its intense reddish pink buds open to a slightly brighter shade of magenta-pink.
